Osaka

Koto Banoh
(EIC 2019)

Self- introduction: My name is Koto from Osaka, Japan. I join EIC in 2019. My hobbies is drawing pictures and taking a nap. And I love Pokemon.

Presentation Content: I' ll talk about “What can we do for protecting environment?”

Message: Let’ s think about the environment together and tell me what you think. If you like Pokemon, let’s talk together !

Self- introduction: My name is Nisa, I am from Pakistan. I joined EIC in 2019. In my free time I like to cook food and meet new people.

Presentation Content: I will talk about the importance of saving the environment. I will share some simple ways to help the environment.

Message: Earth is our Planet, Let’ s try our best to keep it safe!

I am looking forward to seeing you all at the 2nd GNI!

Badur un Nisa
(EIC 2019)

Tomo Takano
(EIC 2017, 2018)

Self- introduction: My name is Tomo from Fukuoka. I join EIC in 2017 and 2018. My hobbies are playing flute, reading books and cooking.

Presentation Content:

I joined 4th OST at Indonesia. I knew about Indonesian cultures and Environmental Initiatives. We exchanged those. It was really fun and interesting. Lets exchange our opinions!

Self- introduction: Hi everyone! My name is Lookpud from Thailand. I joined EIC in 2016. My hobbies is baking bread and traveling.

Presentation Content: I will talk about #BeeMyFriend campaign which is about choice of food and effecting on bees population. I want to emphasize that everyone can ‘bee’ the change.

Message: Let’ s think together about how can we help our friends, bees, to stay with us for a long-time
