COVID-19 PANDEMIC IN VIETNAM

Vietnam is also affected by the notorious coronavirus and life of those in Vietnam also changed a lot after the outbreak.
I'll show you what changed!

WE ARE MORE CREATIVE & KIND TO OTHERS!

In time of difficulty, people are more & more creative in ways of helping each other!

“Rice ATM”

Free rice-giving-machine is set up in many cities by businessman & companies to support the people!

It's so popular now!

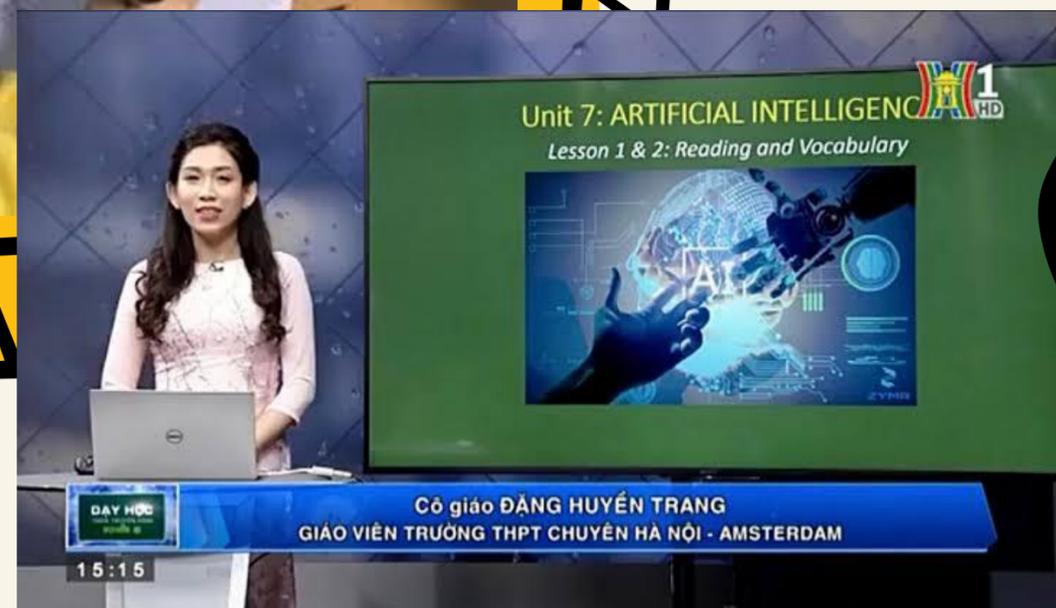

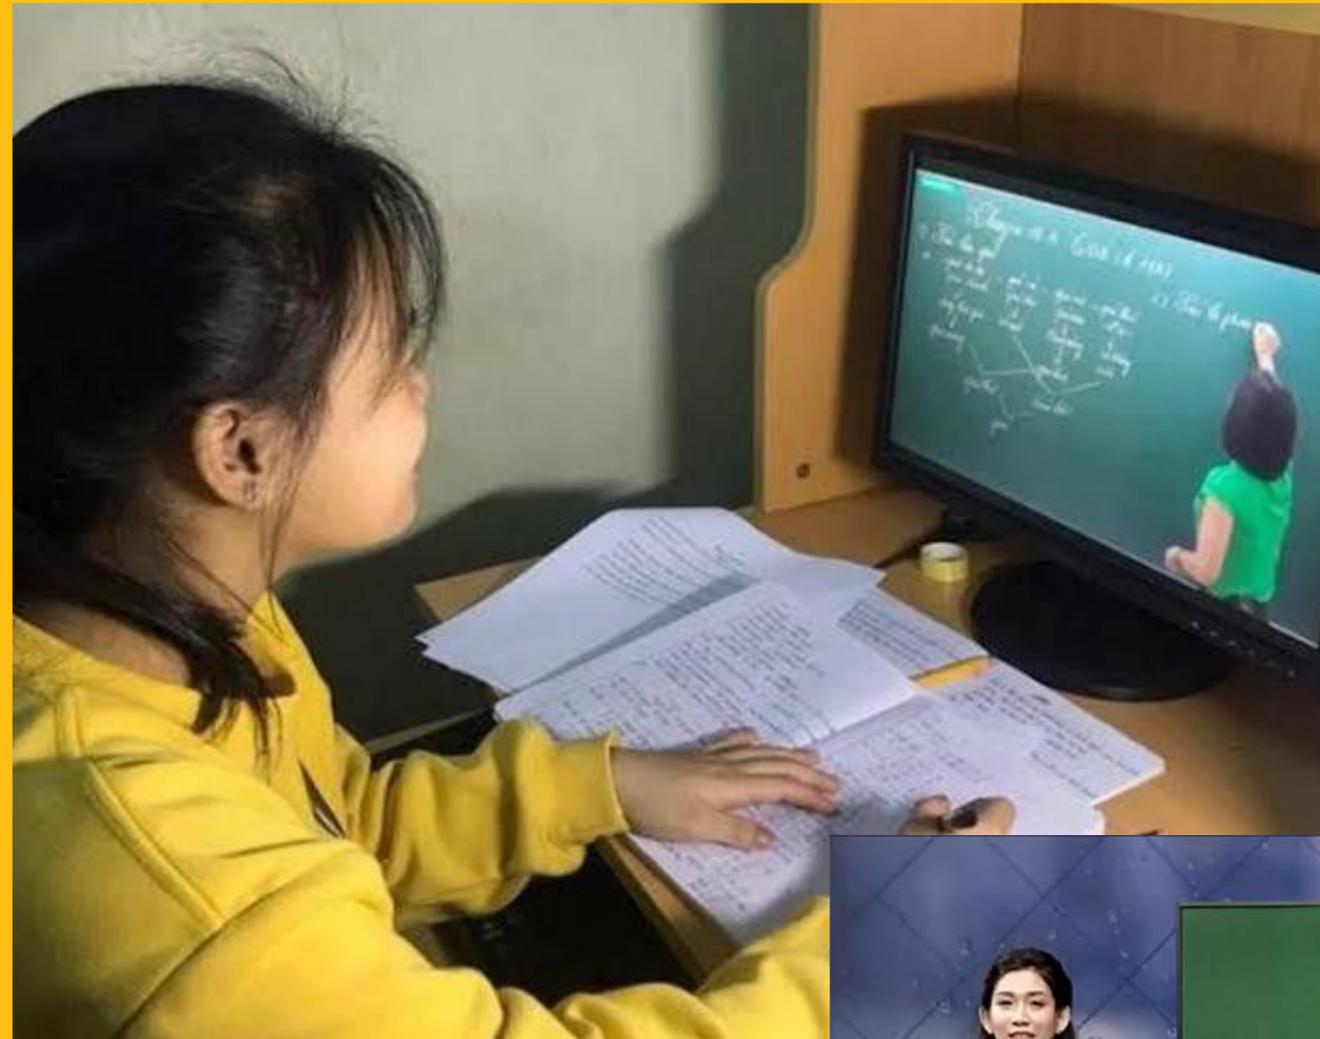

“Dragon-fruit banhmi”

Bakeries created the new pink banhmi made from flour and dragon-fruit to save the farmers who could not export their products!

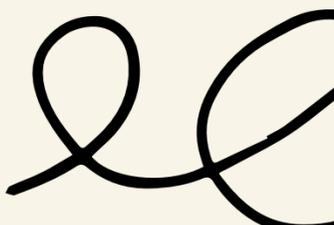

STUDY ONLINE

Schools in Vietnam normally are from September ~ May, with a long break in January for the big Tet holiday - Vietnamese New Year!

However, this year, friends could not go back to school after the Tet holiday in January 2020. And, many of them started online classes!

I heard
some had classes
broadcasted on TV
now!

"ONLINE"
